### THE GAZETTE.

WEDNESDAY TVENTING, COTOBER 22,

A CHAPTER OF MISHAPS - Mr. Bozzell put some tar in a tin pail and placed it upon the store to melt the other day. In the be tem of the pail was a small hole, which had not been noticed. As the tar began to melt it flawed through the hole and soon took fire, making a lively blezs. Mr. Buz-zell seized the pall and started to run out of door with it, in doing which be received

some painful burns upon his bands.

In his burry he did not see the shepherd dog lying on the fluor, and stumbled over him, spilling a quantity of the burning tar upon the dog's tell, which was long and

bushy.

The dog, scered out of his wits and with his burning tail flaring out like a torch, began running around the kitchen and dining room, satting fire to the walls, wood-work, tables, and chairs. Finally they managed to get the dog out of doors, and the animal extinguished his own fire by rolling.

The aid of about fifty of the men from the tenners was guickly chained, and he creat

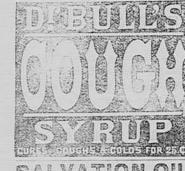

tannery was quickly obtained, and by great exertions the fire was finally extinguished, as there was a good supply of water at band.
As it was, damage to the extent of \$300 was done by the fire, the loss being cavered by insurance. The dog was very badly burned, and though now alive it is doubtful if I e recovers .- Lewiston (Me ) Journal.

## HOUSEHOLD FAVORITE.

A young girl here had been suffering for 12 years with blood diseases until she had lost the use of her limbs and was subject to many troubles incident to the disease. The physicians declared her case incurable and predicted that her life would come to a speedy end. After taking S. S. S. she recuperated so fast that it was plain that she had obtained a new lease life, and she has continued to grow better until her permanent cure is assured. Many other patients in our hospital have obtained signal benefit from S. S. S., and it has become quite a favorite in our house.
